

Corporate Manslaughter A Practical Approach

15 July 2008

**9.30am to 12.30pm
Cost: from £85 (inc lunch)**

Venue: National Badminton Centre Milton Keynes

Do you need to know how the Corporate Manslaughter & Homicide Act 2007 impacts on your organization?

Are you keen to learn how to manage workplace transport issues in accordance with the Act?

Do you need to have practical advice on how to keep your organization safe from expensive legal claims under the Act?

Would you like to discuss the subject in an interactive workshop?

Whether you are a business owner, a director, a manager, fleet manager, HR manager, this course is for you, looking at the key responsibilities of your organization in implementing this key piece of legislation.

The workshop is interactive and designed to be practical so you can return to the workplace with lots of ideas for implementation. The workshop allows for plenty of discussion and questions.

Topics covered:

- Context/background
- The business case
- The law
- Health & Safety
- Liabilities/Implications/Responsibilities
- Penalties
- Defences
- The role of management
- Managing workplace transport

All delegates receive a comprehensive workbook.

Delegate Costs:

No: of delegates	Cost per delegate	Total to pay
1	£95	£95
